Thank You  
from Your

Since joining AMCP Foundation as Coordinator of Outreach & Development last year, I've had the pleasure of connecting with rising managed care professionals, hosting our wellness events, and meeting all of you wonderful donors!

As we work towards making 2023 a stellar year for advancing the managed care practice, take a look back on achievements made in 2022 in [this video](#). With your support, we were able to:

- Successfully conduct the P&T and Best Poster Competitions.
- Update our research agenda by publishing priorities in accelerated approvals and health disparities in [JMCP](#).
- Promote access to care through our new internship themed on health equity.
- And more!

Read more about our successes in our [2022 Impact Report](#). From all of us at AMCP Foundation, we appreciate your continued generosity.

Sincerely,

**Elene Wogedersgne**
