

It was wonderful to connect with so many of you during AMCP 2023 in San Antonio! Recognizing brilliant new practitioners through our Best Poster and P&T competitions was certainly a highlight. I had goosebumps at our very special donor breakfast celebrating 2023 Steven G. Avey Awardee, **Judith A. Cahill**, along with AMCP Past President **Marissa Schlaifer** and Judy's niece **Kathy Kurek**. Your participation and presence in Texas illustrated how important your support is in driving our mission forward.

During these events, we caught up with AMCP Foundation supporters like Mindy Messina, PharmD, who encouraged all AMCP members:

“Support AMCP Foundation,” said Mindy. “Without these kinds of programs and training and support out there, we really wouldn't be able to find the managed care pharmacists that we have within our organization.”

I encourage you to [watch this video](#) to see your impact in action.

We appreciate your generosity as we continue to improve population-level health outcomes.

Sincerely,

Paula J. Eichenbrenner
Executive Director, AMCP Foundation
