2025 National P&T Competition Phases

Entry Phase → Semi-Finals → Finals

Assignments due January 20, 2025
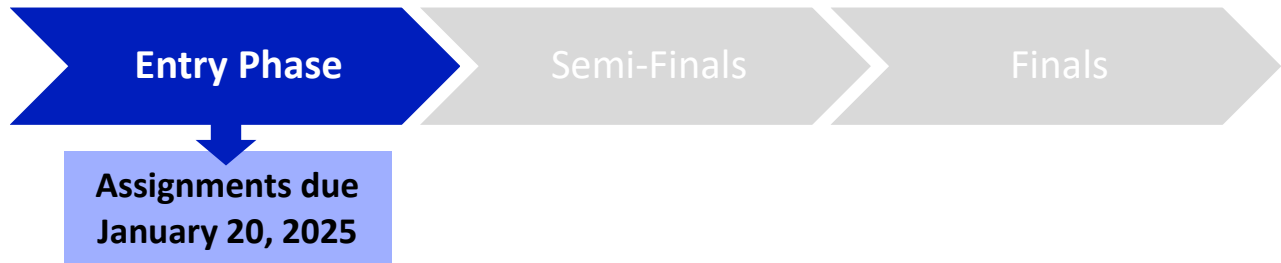

As members of the Clinical Pharmacy Services department at Patients First Health Plan, student teams are tasked with developing a formulary drug monograph for VELSIPITY™ (etrasimod).

All schools that choose to enter the 2025 National P&T Competition must upload the following assignments to the P&T Competition portal **no later than 11:59 pm EST** on Monday, January 20:
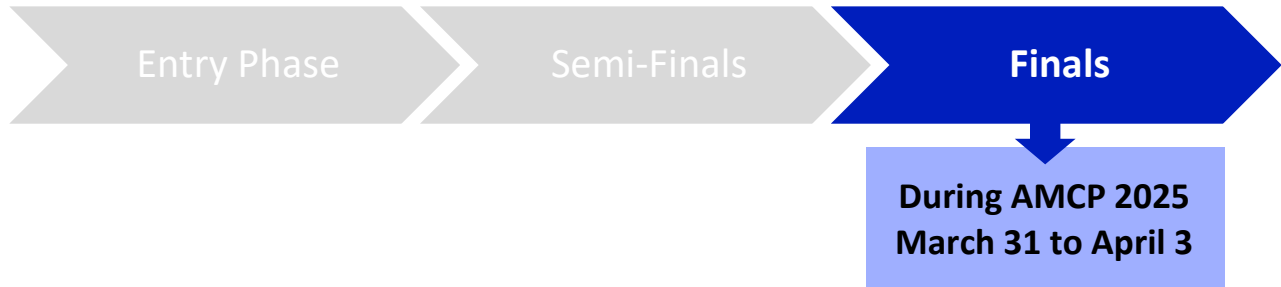

♦ Formulary drug monograph for Velsipity, using the provided template.
♦ A file with supporting materials to include:
— Completed individual study quality assessment questionnaires.
— ICER Evidence Rating Matrix summary report.
— Supplemental budget impact model information (if applicable).
♦ A PowerPoint file for a P&T Committee presentation (not to exceed 15 minutes) that succinctly conveys and supports the team's findings and recommendations.

During this phase, the formulary drug monograph will be reviewed and scored by judges.

Entry Phase → **Semi-Finals** → Finals

February 14 to February 24, 2025

The 15 teams with the highest scores will advance to the Semi-Finals round. Semi-Finalist teams will be notified no later than Monday, February 10.

During this phase, each Semi-Finalist team's PowerPoint presentation will be reviewed and scored by judges.

Entry Phase	Semi-Finals	**Finals**

**During AMCP 2025
March 31 to April 3**

The teams with the highest scores in the Semi-Finals phase will be invited to compete in the P&T Competition Finals. The Finals phase culminates in a live session held in conjunction with the AMCP 2025 meeting in Houston, March 31 to April 3. Finalist teams will be announced in a special P&T Competition newsletter no later than Friday, February 28.

During the live P&T Competition Finals session, teams will make their P&T Committee presentation to a panel of judges and respond to questions. These judges also will review and score each team's drug monograph and PowerPoint slides before the live session.

The top teams will be determined based on the combined scores for drug monograph, PowerPoint slides, and live P&T Committee presentation.
